

CONGRATULATIONS

One of the IT company softies had organized talent hunt -A pure programming contest in which more than 1500 students of total 38 engineering institutes from south and central Gujarat region participated. There were two different phases where students showcased programming and analytical skills. The judges panel which includes but not limited to prominent professors of SVNIT, Surat evaluated the whole talent hunt. After final round, total 36 students declared as winner and secured their position in TOP FIVE.

It is proudly say that out of 1500+ students, Computer Engineering Department's 6 students grabbed their place in top 5 and declared as winner.

Sr. No	Name	Position
1	Harsh Soni	4 th
